# Get organized

*Cut the clutter with these eco-friendly storage solutions*

**DIVIDE AND CONQUER:** The free-standing "Boxer" shelf and room divider is made from recovered and recycled wood, and comes in a range of eye-popping colors. \$995, Material Furniture; [materialfurniture.com](http://materialfurniture.com)

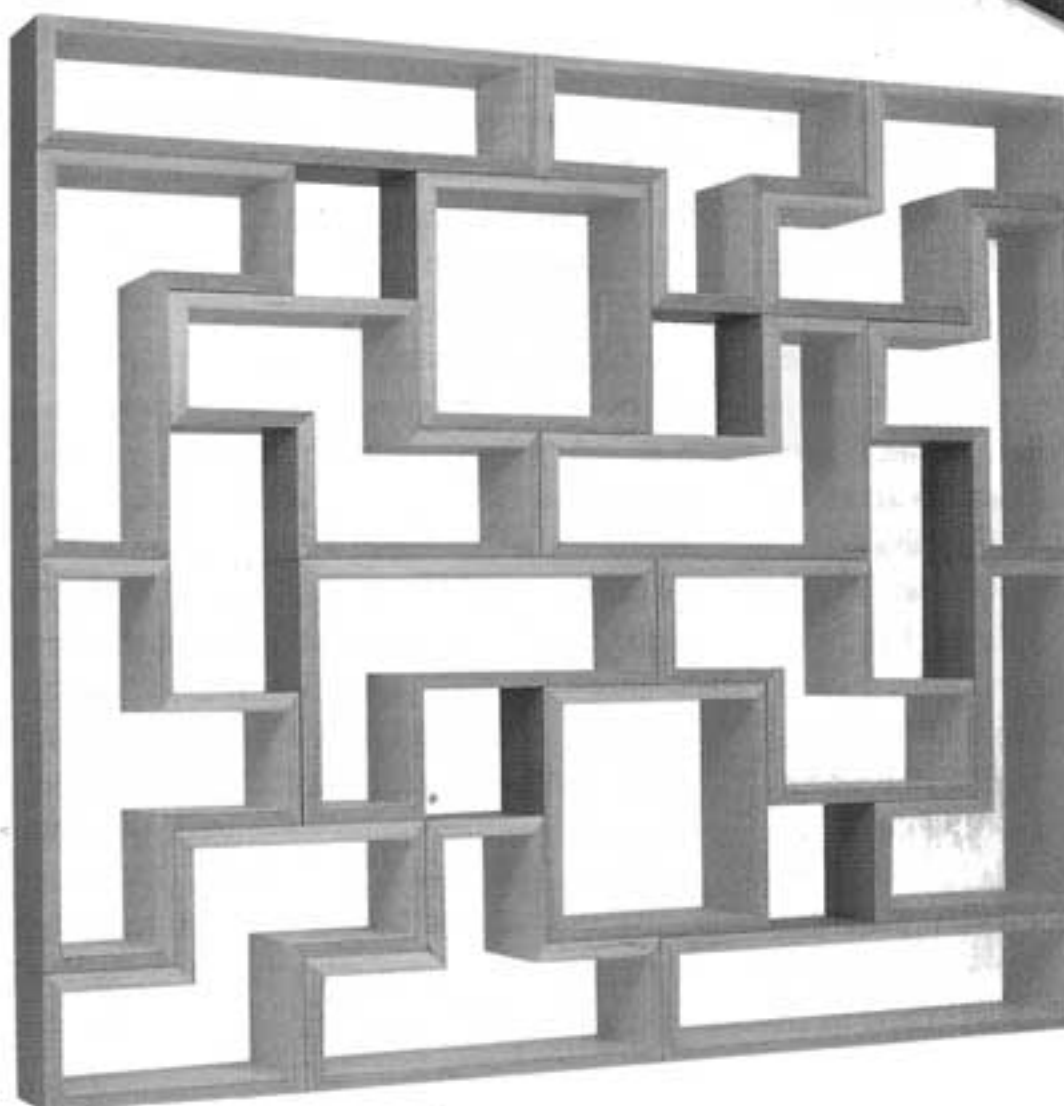

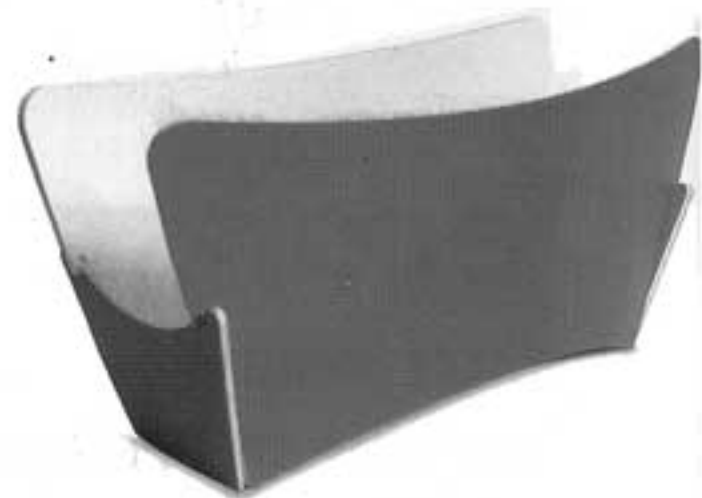

**HANG OUT:** Keep your office mess organized with the wall-mountable "Grid" pocket system. It's made from 100% recycled felt, and can be returned to the manufacturer for recycling if you decide to redecorate. \$60, Mio; [mioculture.com](http://mioculture.com)

**TILT IT UP:** Add a personal touch to the chic "Full Slant" coffee table—made of eco-friendly bamboo plywood—by storing your favorite books on the angled bottom shelf. \$950, Rhubarb Decor; [rhubarbdecor.com](http://rhubarbdecor.com)

**STAY TOGETHER:** Made from recyclable plastic using a low-energy process, the "Crease" rack is easy to clean and keeps your newspapers and magazines off the floor. Comes in red or white. \$52, Eco Home Store; [ecohomestore.co.uk](http://ecohomestore.co.uk)

**PLAY GAMES:** The stackable blocks of the "Tetrad Mini" shelf system, inspired by the video game Tetris, are crafted from FSC-certified Baltic birch. \$1,750 for this configuration, Brave Space Design; [bravespacedesign.com](http://bravespacedesign.com)
